

# Infrastructure Maintenance

This sections allows you to define the countries, offices and libraries that you will need.

To access Infrastructure Maintenance, select **System Management > Infrastructure Maintenance**.

This takes you to the following page:

Infrastructure Maintenance

Country Name:  Short Code:  Language:  Flag:

Show Inactive  
 Countries  Office Groups  Libraries

Unit Name	Short Code	Unit Type
United Kingdom	GB	Country

The radio buttons allow you to view either countries, office groups or libraries. In practice, you can do everything from the Countries view.

See more detailed instructions for:

- [Countries](#)
- [Offices](#)
